Key priorities and Planning

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
<p>Replacing / buying new resources to enable children to continue following the National Curriculum and have enough equipment for a class to use at a time. This is including the playground markings which were finished at the beginning of this academic year</p> <p>Maintenance of equipment in the hall and grass cutting / line markings of the playing field</p> <p>Village hall hire</p>	All children within the school	Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school	<p>More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.</p> <p>The children in the school enjoy at least 1hour 45mins of curriculum PE each week and at least 45mins of active playtimes daily.</p> <p>The pupils have been able to use the equipment safely and the field throughout the year when the weather permits. The pupils, parents and teachers gave positive feedback after sports day and how well it ran.</p> <p>This has enabled the pupils to have use of an indoor venue when the weather is too bad so their provision hasn't been impeded.</p>	<p>£4679</p> <p>£1415</p> <p>£200</p>

<p>Employment of sports specialist teachers for coaching of specific sports.</p>	<p>For all the children within the school</p>	<p>Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement</p>	<p>Teachers and other sports coaches to implement the curriculum in which they are secure. Continue to create, implement and evaluate a development plan for sport. Lead new initiatives for whole school, sustainable improvement in sports provision. To provide CPD, support and advice to teachers, TAs and MTAs to improve delivery of PE lessons, intervention programmes and active playtimes. To include costs for supply.</p>	<p>£4490</p>
<p>Run the Fun Fit programme</p>	<p>For those children whose coordination and underlying postural stability and balance needs to be improved.</p>		<p>Specialist TA to run this club for 3 sessions a week</p>	<p>£1040</p>
<p>Employment of specialist sports teaching assistants to support teachers and coaches to provide an all-inclusive curriculum</p>	<p>All children within the school and those adults being supported</p>	<p>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</p>	<p>The TAs are more confident to assess the pupils' ability against various criteria and is confident to report these to the designated sports teacher</p>	<p>£3047</p>

<p>Pupils to be given the opportunity to discover new sports, challenge themselves. Work with other specialist coaches and play sports with other schools.</p> <p>Use of minibus and coaches to transport pupils</p>	<p>All children within the school</p>	<p>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</p>	<p>Through access to the school sports coordinator programme, the pupils have enjoyed playing against other schools and sports teams. We were very pleased with the results from matches played by our football team. There has been increased participation and understanding of how to maintain a healthy lifestyle.</p> <p>The children were able to enjoy a day of outdoor adventurous activities including swamp walking and navigating.</p>	<p>£1100</p> <p>£650</p>

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	100%	<i>The children at Shebbear Community school are timetabled to swim at least 12 weeks every year in KS2</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	100%	

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	100%	
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	This was not required this year

Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	No	All our KS2 children have access to at least 12 weeks of 1 hour sessions at the local pool – Ruby Oak. The pool provides the swim teachers who are appropriately trained.
