

Celebrating Learning Together

Safeguarding Statement 2026/27

Shebbear Community Primary School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.

All staff are trained in safeguarding when they join the school and this training is updated annually with updates throughout the year. The training ensures staff are aware of the signs to look out for if a child may be being abused. It also informs them how to deal with the situation and report it appropriately. Similarly, children are reminded that they can share information with staff who will always be there to listen and support.

We have a number of policies and procedures in place that contribute to our safeguarding commitment, including our Child Protection Policy which can be viewed in the Policies section of our website. In addition to the normal support you would expect in schools, Shebbear will actively support children through periods of vulnerability to ensure school remains a positive and supportive experience.

Sometimes we may need to share information and work in partnership with other agencies when there are concerns about a child's welfare. We will ensure that our concerns about our pupils are discussed with his/her parents/carers first unless we have reason to believe that such a move would be contrary to the child's welfare. We work closely with Devon Children's Services.

We actively support the Government's Prevent Agenda to counter radicalism and extremism and staff have received training in this as well.

Which urge all visitors to the school to help us support the safeguarding of all pupils. If you have a concern while visiting the school, then it should be reported to the Designated Safeguarding Lead or one of his deputies. This can be done directly or through the school office.

Our Designated Safeguarding Lead (DSL) is Lois Gough (Co-Head Teacher). Our Deputy DSL is Rebecca Evans (Co-Head Teacher). The governor responsible for Safeguarding is Carole Evans. Our chair of the Governing Body is Andrew Goode.
